

# Machinery Sale

Friday 8<sup>th</sup> May 2026

On Friday 8<sup>th</sup> May, Penrith & District Farmers' Mart LLP held its quarterly collective sale of tractors, machinery, plant, livestock equipment and small tools.

Another record-breaking entry saw an impressive 2,710 lots go under the hammer, with bidding commencing at 9:00am and continuing through to 8:50pm. An outstanding clearance rate of 81% was achieved, far exceeding expectations given the current trade conditions across the UK and further afield.

The sale also attracted a record number of purchasers, with 510 successful buyers securing stock, including strong support from both Northern Ireland and Southern Ireland.

Entries were received from 388 vendors across the United Kingdom. Leading the sale was a Hurlimann XB105 loader tractor, registered on a 74 plate and showing only a few hundred hours, which sold for £43,000 and headed into the trade across the water.

Close behind at £41,000 was one of the final lots of the day, a Case 165 Puma on a 20 plate, which also sold to Southern Ireland.

Plant once again delivered one of the strongest clearance rates of the day, topped by a JCB TM320S on a 67 plate at £33,000. Also drawing strong interest was a tidy 2011 JCB 3CX with just 1,650 hours, which sold well above reserve at £32,000.

Farm machinery sold freely and, as ever, remained well short of buyers' requirements especially for clean well-kept implements, with much more needed for our August sale. Topping this section at £16,500 was a New Holland BB9060 square baler.

Another hugely successful day's trading delivered a clear message to vendors: sell live. The atmosphere, energy and competitive bidding on site continue to create genuine competition and strong returns.

Our next sale will be held on Friday 14<sup>th</sup> August 2026. Historically, this has been one of our strongest sales of the year, perfectly timed for the busy summer season ahead. All entries should be sent to [jennysayer@penrithauction.com](mailto:jennysayer@penrithauction.com), and please include photographs for advertising purposes.
