

Low Rutter Farm Sale

Saturday 5th September 2026

On Saturday, Penrith & District Farmers' Mart conducted an on-farm sale on behalf of Messrs R Forrest, Low Rutter, Appleby.

The concluding sale of the Low Rutter dispersal attracted a huge crowd of buyers from across the country and further afield, with several lots making their way across the water to Northern Ireland.

The sale topped at £37,000 for an exceptionally clean and tidy Massey Ferguson 7720 Dyna-6, registered in 2018 and showing 4,900 hours.

Farm machinery also proved extremely popular. Leading the section at £10,500 was a well-maintained SlurryKat 2800 tanker, closely followed by a Claas Liner 2900 rake, which sold for £8,550.

Once again, the traditional live auction format, with no online bidding, proved highly successful. Strong competition ensured a fast-paced sale with no hold-ups, professionally conducted throughout.

We thank Richard for his loyal support of Penrith Auction Mart over the years and wish him and his family every success for the future.

Our next sale will be held on Saturday, 12th September 2026, at Park Head Farm, Welton, on behalf of Messrs E Hird.
